

### Basic Requirements to Become a Member of WFG

- Have a fully functioning enclosed cockpit simulating a regular airliner. Minimum Requirement is a B737, A320 or similar due to the range requirements
- Be committed to flying the 45 legs 24/7 during WorldFlight.
- Provide evidence that you have approval to raise money for your elected charity
- Have a dedicated website that would allow visitors to see your cockpit details and pictures and to be able to make donations to your charity.
- Be a member of VATSIM
- Sign an Memorandum Of Understanding declaring that you will follow the WFG Rules and Regulations during the WorldFlight event each year.
- If you wish to apply for membership then contact:-  
Terry Scanlan

### Become a Friend of Worldflight

If you would like to join the WFG community and become a Friend of WorldFlight you need to have completed at least 10 sectors of any WorldFlight event. Please send details of your 10 + flights to myself at [tscanlan@bigpond.net.au](mailto:tscanlan@bigpond.net.au) and list the sectors that you completed. You will also need to advise the call sign of your flight so that it can be verified from the stats at VATSIM.

Once approved you will be added to the FOW board at the WFG website.
